STORIES

The image features a vibrant, multi-colored nebula in shades of orange, red, and yellow against a dark space background. A constellation of stars is connected by thin lines in green, red, and blue. In the foreground, the dark silhouettes of three people are visible against the bright light of the nebula. One person on the left has their right arm raised, pointing towards the constellation. The overall scene suggests a connection between human stories and the vastness of the universe.
